Time	What is Public	What is Art	What is Lumbung	Uncategorized													
Day 1, 6th																	
September				136 participants													
Opening			(It takes 1 hour 46 minutes to do checkins with 135 persons)	(A very long checkins)													
		To build is also to change relationships towards, art, institutions, exhibitions, etc	To share resources.	People that we want to learn from.	experience together.	building relationships	Collective practice is no efficient at all	Not to exploited and sucked by documenta									
Ade			Way of workings, values Long harvest from	ruruHaus is basically a living room.													
			conversation To have conversation with														
			each other who have similar practice is a luxury					Building									
Gertrude			Collaborative platforms as alternative to institutional practice	Make friends not art	Dare to lose something (Quoting ruru)	Change institutional practice	Interdependent economy	collective through friendships and trust	https://docs.goog								
Lara				we are learning from each other													
farid					We face things that we take for granted.	The feeling is clear, but how to get there is not that clear yet.											
Ayse		Art has something to do with life. We can't separate it.		shaped my life, my body.	The decentralization of local is important in this documenta.												
Reza	To have people in our kitchen and see what differen dishes we produce			We never have meeting. We just meet each other in ruangrupa.	How process is being articulated in broader context?												
2nd Session with Mini Majelis																	
Yasmine																	
Soarhub				Mini Majelis is like a group date that meet every 2 weeks	see things in fresh												
Marwa				What can potentially we can do with	We don't live in the same place. It's very challenging in that level.	How could this money can generate	We started speculating althought it's scary. But it's quite exciting to thin about long term investment. Tehre are different desires in the group. We come into desire that the pot is no being divided or broken	k Maybe buying a land? But some people need the money more urgently. So t how to deal with									
Lara				The budget is a small part. But what is important is trust and relations that being built.	Distribute the power to decide is also important here.												
Lara				The purpose of majelis is to get to know each	How much labour we would put in the mini majelis? How to compensate the	is how we share resources, our											
Reem				other. Negotiation of contracts with Mini	labour?	knowledge.											
Nino				Majelis is also empowering. Translators for Artist													
Yasmine				Resistance is being paid for each mini majelis. The values of AC													
Jazael				about each necessities, each capacities, and how to relate with money.	How to build infrastructure, something that enables	How to not exploit ourselves more than we already are											
Lara				The Mini Majelis should decide what is necessary.													
Ade					Assuming that artist/participant will have support for galleries or national fundings.	Mini Majelis is the space to negotiate this.											
Matze																	
					Fee structure is a diagram of how much fee in different tasks. It's about labour not only production.												
Mariela Scafati - Serigrafista				A standard of fee for blennales	Taking into account the artist labour.	https://drive.google.c	x https://www.instagram.c	201
